

## 12c 30<sup>th</sup> Anniversary Financial Calculator

*The Trusted Mainstay for Professionals*

The industry choice<sup>1</sup> for real estate, banking and finance professionals, the HP 12c Financial Calculator is available in an exclusive 30<sup>th</sup> anniversary edition.

### Exclusive 30th anniversary edition

As the industry choice since 1981,<sup>1</sup> the HP 12c Financial Calculator has been a steady performer for students and professionals in real estate, banking and finance. In honor of its 30<sup>th</sup> anniversary, each limited-edition model has its own unique production number laser-etched on the calculator. Displayed in an elegant gift box, the HP 12c 30th Anniversary Edition is the perfect gift for professionals, students and collectors.

### Familiar and trusted brand

Instantly recognized for its unique horizontal layout, the HP 12c that is sold today resembles and functions like its well-known predecessor, while adding improved performance and modern components. This HP classic is valued for its reliability, proven accuracy and long battery life. In fact, the HP 12c is approved for use on the CFP and CFA certification exams as evidence of its wide acceptance in the financial and business arenas. It also comes with a 1-year standard warranty.<sup>2</sup> It's no wonder the HP 12c has become an industry favorite.

### Classic calculator with powerful processing

Whether you perform routine financial calculations at your desk or need a highly portable calculator to take to client meetings, the HP 12c is the perfect solution. Its intuitive layout makes it easy to use and the 20 memory registers help users run calculations quickly and efficiently.. Quickly calculate loan payments, interest rates, conversions, standard deviation, percent, TVM, NPV, IRR, cash flows, bonds and more.

Reward yourself or someone special with the HP 12c Financial Calculator — a true collector's item. HP's legendary quality and reliability offer you peace of mind. Get the most from your calculator. Visit [www.hp.com/calculators](http://www.hp.com/calculators) for more information.

THE COMPUTER  
IS PERSONAL  
AGAIN.
