

Passport 1912nm 18.5-inch Internet Monitor

Revolutionizing Guest Computing

An affordable Internet solution for businesses to offer their guests and customers quick access to cloud computing – no PC required.

Create a positive customer experience

Providing your customers and visitors fast, hassle-free access to the Internet¹ sets your business apart from the rest. Doing it all at an affordable price with a streamlined Internet solution just makes sense. Connect your users to their digital world of cloud computing with the HP Passport 1912nm 18.5-inch diagonal Internet Monitor – an ideal online solution for:

- Business lobbies and waiting rooms
- Internet/cyber cafes
- Public locations: airports, railway stations, hospitals, schools or libraries
- Hospitality: hotel lobbies, hotel rooms or conference centers

Fast access to the cloud

The HP Passport 1912nm Internet Monitor is perfect for both beginner and web-savvy users. Preloaded with a web browser and user-friendly home screen, your customers and guests can easily access the Internet, their email, social media, entertainment and much more. With 5 USB ports and integrated Media Card Reader, they can also enjoy their favorite music, photos and videos.

Attractive, practical design

Everything your company needs to create an attractive, online customer environment is in the box:

- Sleek, slim 18.5-inch diagonal Internet monitor
- Full-size HP USB keyboard and mouse
- Ethernet input to connect directly to the Internet
- Built-in speakers (2 watts/channel)
- Media player, Adobe® Flash®
- 5 USB ports and 4-in-1 Media Card Reader

The simplified, plug-and-play design makes set up fast and easy, and features a smart and reliable locked down operating system that prevents it from becoming vulnerable to viruses.

Go green and travel the Internet in style

Take advantage of this well-priced, multimedia hub that delivers a familiar browsing experience, striking screen performance and eco-solutions to help reduce your company's environmental impact.

- 1366 x 768 resolution
- 600:1 static contrast ratio²
- 5ms on/off response time²
- BFR/PVC-free plastics and finishes³
- Arsenic-free display glass⁴
- ENERGY STAR® qualified
- EPEAT® Silver⁵ registered

Relax with HP reliability

Rely on HP for award-winning service and support with a standard, 1-year limited warranty. Get prompt, 24/7 support from a support technician with real-time chat and e-mail responses.

1. Internet access required and sold separately.
2. All specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.
3. Meeting the industry definition of 'BFR/PVC-free' per the iNEMI Position Statement on "Low Halogen" Electronics. Plastic parts incorporated into the chassis generally contain < 1000 ppm (0.1%) of bromine or chlorine. Printed circuit board and substrate laminates generally contain < 1500 ppm (0.15%) of total bromine and chlorine. Service parts after purchase may not be BFR/PVC-free. External accessories, including power supplies, power cords, and peripherals are not BFR/PVC-free.
4. Arsenic and its compounds were not detected using U.S. EPA test methods 3052/6010b by ICP-AES.
5. EPEAT® Silver where HP registers commercial display products. See www.epeat.net for registration status in your country.
