Maximize workgroup productivity with this breakthrough color laser MFP: consolidate multiple functions and get efficient A3 printing.

The HP Color LaserJet CM6030/CM6040 MFP series offers competitive color output quality along with scan, copy, digital send, and fax1 in an exceptionally reliable and easy-to-manage package. Its low acquisition price, overall cost per page value, and space-saving design make it the best choice for your business environment.

High performance
Do more and do it quickly. Get black-and-white and color speeds of up to 40/41 ppm (letter/A4) for the HP Color LaserJet CM6040f MFP (30/31 ppm for the CM6030 MFP series). Process complex documents quickly with an 835 MHz processor and 512 MB standard memory (expandable up to 768 MB). Efficiently produce general and wide-format documents up to 12 by 18 inches (A3/SRA3).

Easily capture documents electronically and speed up workflow with scan to e-mail, printer, network folder, and fax services.1 Included installation wizards make configuring send to network and desktop folder fast and simple.

Easy to use and manage
Enjoy the intuitive, familiar interface of the Easy Select touch-screen control panel. Reduce costs and time associated with installing, configuring, managing, and troubleshooting your fleet and supplies from anywhere on the network with HP Web Jetadmin. Auto Color Sensing and Color Access Control let you efficiently manage black and color toner usage. Built-in cartridge intelligence helps IT monitor toner levels and configure automatic alerts, preventing hassle and waste.

Protect your network infrastructure with optional third-party solutions such as job accounting, integrated document capture, and security options.

Competitive output quality
Produce color and black-and-white documents that make an impact, thanks to key technologies. Get outstanding edge acuity for detailed line work, spreadsheets, and architectural drawings with up to 1200 by 600 dpi, HP ColorSphere toner, and ImageREt 4800. Support for color matching standards and PANTONE® certification means you’ll have superior color accuracy every time.

Make an impression with the improved formulation of HP ColorSphere toner—produce consistent, high gloss, high-quality prints at fast speeds.

1 Faxing is standard for the HP Color LaserJet CM6030f MFP and CM6040f MFP, optional for the CM6030 MFP (not included, sold separately).
HP Color LaserJet CM6030/CM6040 MFP series

1. Four-line Easy Select control panel (including touch-screen graphical display)
2. 500-sheet face-down output bin with long paper extension
3. Front-door access to the four easy-to-install Original HP LaserJet print cartridges with ColorSphere toner
4. Built-in automatic two-sided printing
5. Four 500-sheet input trays for 2,100-sheet input capacity
6. 50-sheet automatic document feeder
7. 100-sheet multipurpose tray 1
8. HP high performance embedded hard disk for faster processing speed
9. A powerful 835 MHz processor and 512 MB memory
10. Access port for Kensington lock
11. Foreign interface harness
12. Fax connection
13. One EIO expansion slot
14. Hi-Speed USB 2.0 device port
15. HP Jetdirect Gigabit Ethernet embedded print server for easy network sharing

Minimize intervention and easily manage jobs.

Efficient to operate and maintain

The MFP’s intuitive design enables you to operate the device with minimal intervention. Cartridges are shipped preinstalled and the device’s software installs in just a few simple clicks.

Job Queue Management allows you to view and manipulate the list of print and copy jobs and faxes via the control panel. AutoNav Jam Removal gives you step-by-step automated and written instructions for easy and simple paper removal.

Simplified accessibility means you can replace fusers, transfer kits, and transfer rollers as easily as the toner cartridges and image drums. And replacement parts are easily identifiable with HP signature Blue tabs.

Its compact size lets you position the device closer to users. Choose no finisher for a smaller footprint—or improve productivity with the optional HP stapler/stacker or HP booklet maker/finisher accessory. Produce a greater variety of output with support for media sizes up to 12 by 18 inches (A3/SRA3) and weights up to 220 g/m².

Get the most out of your MFP with HP accessories, supplies, and services.

Environmental ranges

- **Recommended temperature**: 63 to 77 degrees F
- **Storage temperature**: 32 to 95 degrees F
- **Storage relative humidity**: 35 to 85 percent
- **Altitude**: 0 to 10,000 ft

5 HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

6 Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs.

7 Average continuous composite black cartridge yield 19,500 standard pages and average continuous composite cyan/yellow/magenta cartridge yield 21,000 standard pages. Declared yield value in accordance with ISO/IEC 19798. Actual yields vary considerably based on images printed and other factors. For more information, visit www.hp.com/go/learnaboutsupplies.

8 Declared yield 33,000 pages based on HP testing methodology. Actual yields may vary considerably.

9 Configurations tested (3 units on 8/15/07) included color and mono printing, simplex and duplex printing, and 110 V and 220 V units at 30 ppm and 40 ppm.

10 Values subject to change. For the latest information, visit www.hp.com/support/cljcm6040 for current information.

11 HP SureSupply alerts you when you should replace a print cartridge and provides you with a customer phone number for the local HP authorized dealer. Works with HP SureSupply. For more information, visit www.hp.com/go/suresupply.
