HP Photosmart 375 Compact Photo Printer

Easily print and share 4 x 6 photos almost anywhere—without a computer—with the lightweight, portable HP Photosmart 375 Compact Photo Printer. Preview and edit on the big, 2.5-inch flip-up display, then print 4 x 6-inch color photos.

True-to-life 4 x 6 photos
- Conveniently print crisp, true-to-life, 4 x 6-inch color photos up to 4800-optimized dpi color.¹
- True-to-life photos that resist fading longer than traditionally processed photos² with HP tri-color printing and HP Premium Plus Photo Papers—for bright, vivid prints that preserve your images for many years.
- Organize, edit, enhance, and fix digital photos on computer with HP Image Zone Software.
- Professional-quality black-and-white photos with richer blacks and grays available with purchase of HP 100 Gray Photo Inkjet Print Cartridge; not included, sold separately.

Big 2.5-inch image display
- Preview, select, and enhance photos before you print. Adjustable 2.5-inch flip-up image display and buttons make it easy to rotate, crop, zoom, and fix red-eye on photos and digital camera video clips, and delete unwanted shots from memory cards.

Photos with or without a PC
- Print 4 x 6-inch color photos with or without your computer using camera memory cards³ or direct print with the front USB port and PictBridge-enabled cameras.

- Print 4 x 6-inch color photos from digital camera video clips. Use your camera’s memory card and the printer’s large, adjustable 2.5-inch color image display to view, select, and print a nine-photo sequence or a single digital video frame.

- Print photos from camera phones or other Bluetooth® wireless technology devices.⁴

Mobile printing
- True portable printing—print photos on-the-go with optional HP rechargeable internal battery—enough power to print up to 75 photos!¹¹ Lightweight battery fits inside printer; use printer’s included power cord to recharge battery in the printer.
- Use HP Car DC Power Adapter to print or recharge printer battery in your car.⁶
- Carry your printer, ink, supplies, and more with HP custom carrying case; not included, sold separately.

Print photos quickly
- Why wait for your pictures? Capture every image—as it happens—with HP Photosmart’s fast, true-to-life color photos you print and share in about 60 seconds.⁷

Low on ink?
- HP SureSupply™ notifies you when it is time to replace your print cartridge and helps you purchase locally or via the internet.⁸

¹ Up to 4800 x 1200-optimized dpi color on HP photo papers when printing from a computer and 1200-input dpi.
² Based on HP light fade testing under glass using the HP 95 Tri-color Inkjet Print Cartridge on HP Premium Plus Photo Papers.
³ Supports CompactFlash™, SmartMedia, Memory Stick®, SecureDigital/MultiMedia Card and xD-Picture Card.™
⁵ HP Internal Battery for HP Compact Photo Printers, not included; sold separately. Number of prints per charge may vary based on usage patterns, size of files, printer configuration, and type of ink cartridge.
⁶ HP Photosmart Car DC Power Adapter and HP Internal Battery for HP Compact Photo Printers not included; each sold separately.
⁷ When printing with borders from a computer.
⁸ Only available with genuine HP supplies; internet access required.
