The sleek HP ProBook 450 G2 with optional 10-point touchscreen and the latest generation technologies delivers powerful performance in the office or on the go. Proven reliability and comprehensive HP security features help keep your data and investment protected.

HP recommends Windows.

Windows 8.1
Screen Size: 15.6” diagonal

Designed for mobility.
- Travel in style with the updated design of the optional FHD, or HD touch, 15.6-inch diagonal HP ProBook 450 G2 featuring a new soft touch paint finish on the LCD cover and brushed aluminum keyboard deck.

Powerful processing.
- Power through projects with the latest 4th generation Intel® Core™ i3/i5/i7 processors and optional discrete AMD Radeon™ graphics with switchable graphics support on the stunning 15.6-inch diagonal, optional FHD or HD touchscreen of the HP ProBook 450 G2.

Safeguard data and devices.
- Help keep sensitive data secure with comprehensive security features like HP Client Security, and HP BIOS Protection, as well as the embedded TPM 1.2.

Featuring
- Guard your data, device and identity with HP Client Security.
- HP BIOS Protection’s automated recovery restores a copy of the BIOS from a partition on the hard drive if crisis strikes.
- With TPM 1.2 your critical data has protection with hardware-based encryption keys.
- Rest easy with a ProBook that endures 115,000 hours of testing to help ensure reliability in the most demanding work environments.
- The simplicity of optional touch1 enriches business interaction with Windows 8.1.
## HP ProBook 450 G2 Notebook PC Specifications Table

| Available Operating System | Windows 8.1 Pro 64 ¹  
|  | Windows 8.1 64 ¹  
|  | Windows 7 Professional 64 (available through downgrade rights from Windows 8.1 Pro 64) ²  
|  | Windows 7 Professional 64 ¹  
|  | FreeDOS 2.0  
| Available Processors | Intel® Core™ i7 processor; Intel® Core™ i5 processor; Intel® Core™ i3 processor; Intel® Celeron® processor; Intel® Pentium® processor ⁴  
| Chipset | Chipset is integrated with processor  
| Maximum Memory | 16 GB 1600 MHz DDR3L SDRAM  
|  | Celeron and Pentium processors will run at 1333 MHz  
| Memory Slots | 2 SODIMM  
| Internal Storage | up to 750 GB SATA (7200 rpm) ³  
|  | 500 GB up to 1 TB SATA (5400 rpm) ⁷  
|  | up to 128 GB SSD ⁷  
|  | up to 500 GB SATA SSHD (5400 rpm) ⁷  
| Optical Drive | Blu-ray ROM DVD-/-RW SuperMulti DL; DVD-/-RW SuperMulti DL ⁴/⁵ (option of no optical drive)  
| Display | 15.6" diagonal HD anti-glare LED-backlit (1366 x 768); 15.6" diagonal FHD anti-glare LED-backlit (1920 x 1080); 15.6" diagonal HD shatter, scratch, and smudge resistant LED-backlit touch screen (1366 x 768) ¹²/¹³  
| Available Graphics | Integrated: Intel HD Graphics 4400 (Intel i3, i5, and i7 Dual-Core configurations); Intel HD Graphics (Intel Celeron configurations)  
|  | Switchable Discrete: AMD Radeon R5 M255 (1 GB or 2 GB DDR3 dedicated, switchable) ²⁸  
| Audio | HD audio with DTS Sound+; 2 integrated stereo speakers; Dual array microphones (for models configured with webcam); Integrated microphone (for models without webcam) Headphone and microphone combo jack  
| Wireless Technologies | Realtek 802.11b/g/n (1x1); Ralink 802.11b/g/n (1x1) and Bluetooth® 4.0 Combo; Intel Dual Band Wireless-AC 3160 802.11a/b/g/n/ac (1x1) WiFi and Bluetooth® 4.0 Combo; Intel Dual Band Wireless-AC 7260AN 802.11a/b/g/n/ac (2x2) WiFi and Bluetooth® 4.0 Combo; Broadcom 802.11a/b/g/n (2x2) and Bluetooth® 4.0 Combo ¹⁰/¹¹/²⁹  
| Communications | Realtek Ethernet (10/100/1000)  
| Expansion Slots | 1 multi-format digital media reader  
|  | (supports SD, SDHC, SDXC)  
| Ports and Connectors | 2 USB 3.0; 2 USB 2.0; 1 HDMI; 1 headphone/microphone combo; 1 AC power; 1 RJ-45; 1 VGA  
| Input Device | Full-sized, spill resistant keyboard; Full-sized, spill resistant backlit keyboard (optional); ¹⁴; Touchpad with gestures support, on/off button, two-way scroll, taps and gestures enabled, and finger zoom (pinch)  
| Camera | 720P HD webcam (select models) ¹⁵

HP recommends Windows.
Messaging Footnotes

1 HD touchscreen is expected to be available in Summer, 2014 as an optional feature.
2 Sold separately as an optional feature.
3 Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology, 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
4 AMD Dynamic Switchable Graphics technology, requires either an AMD "X" series APU or an Intel processor, plus an AMD Radeon™ discrete graphics configuration and is not available on FreeDOS and Linux OS. With AMD Radeon™ discrete graphics configuration and is not available on FreeDOS and Linux OS. With AMD Dynamic Switchable Graphics technology, full enablement of all discrete graphics video and display features may not be supported on all systems (e.g. OpenGL applications will run on the integrated GPU or the APU as the case may be). HP shall not be liable for technical or editorial errors or omissions contained herein.
5 HP recommends Windows.

Technical Specifications Footnotes

1 Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See http://www.microsoft.com for details.
2 This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 8.1 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
3 Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology, 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel’s numbering is not a measurement of higher performance.
4 Intel Core i3-4005U processor planned to be available in July 2014.
5 For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less.
6 Double-layer discs can store more data than single layer discs. However, double-layer discs burned with this drive may not be compatible with many existing single-layer DVD drives and players. Note that this drive cannot read or write to 2.6 GB single-sided or 5.2 GB double-sided versions of traditional media. Do not copy copyright protected materials.
7 With Blu-ray certain disc, digital connection, compatibility and/or performance issues may arise, and do not constitute defects in the product. Flawless playback on all systems is not guaranteed. In order for some Blu-ray titles to play, they may require a DVI or HDMI digital connection and your display may require HDCP Support. HD-DVD movies cannot be played on this Blu-ray drive.
8 Wireless is an optional add-on feature and requires wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.
9 Mobile Broadband is an optional feature and requires factory configuration. Use requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, in all regions and requires factory configuration and separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors.
10 Optional backlit keyboard and touchscreen are planned to be available in July 2014.
11 HD content required to view HD images.
12 The HP Wireless Hotspot application requires an active internet connection and separately purchased data plan. While HP wireless hotspot is active, on-device applications will continue to work and will use the same data plan as the wireless hotspot. Wireless hotspot data usage may incur additional charges. Check with your service provider for plan details. Requires Windows 8.1 or HP Connection Manager for Windows 7.
13 Printer requires an Internet connection to HP web-enabled printer. HP ePrint account registration required. For a list of eligible printers, supported documents and image types, and for complete details, see www.hp.com/go/eprint.
14 HP Mobile Connect is available in select EMEA countries and requires a compatible CM91 or HPsa mobile broadband module and prepaid service purchase. Find coverage and availability for your service area at www.hp.com/go/mobicell.
15 BIOS Absolute Persistence module is shipped turned off, and will be activated when customers purchase and activate a subscription. Service may be limited. Check with Absolute for availability outside the U.S. The optional subscription service of Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: http://www.absolute.com/company/legal/agreements/compute-agreement. If Data Delete is utilized, the Recovery Guarantee payment is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either create a PIN or purchase one or more RSA SecurID tokens from Absolute.
16 HP Drive Encryption requires Windows. Data is protected prior to Drive Encryption login. Turning the PC off or into hibernate logs out of Drive Encryption and prevents data access.
17 The Compute agent is shipped turned off, and must be activated by customers when they purchase a subscription. Subscriptions can be purchased for terms ranging from one to multiple years. Service is limited, check with Absolute for availability outside the U.S.
18 File Sanitizer is for the use cases outlined in the DOD 5220.22–M Supplement. Does not support Solid State Drives (SSDs). Initial setup required. Web history deleted only in Internet Explorer and Firefox browsers and must be user enabled.
19 HP PageLift requires Windows 8.
20 HP 3D Drive Guard requires Windows.
21 HP Support Assistant: internet access required.
22 Microsoft Security Essentials on Windows 7 only. Internet access required.
23 QuickLaunch requires separate Symanitee™ software service subscription and must be activated and configured. Requires a website that uses Symantec: VIP Authentication Service and Microsoft® Windows. Intel® and HP assume no liability for lost or stolen data and/or systems or any other damages resulting therefrom.
24 External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
25 Skype is not offered in China.
26 AMD Dynamic Switchable Graphics technology (AMD Radeon RS 8652) requires either an AMD "X" series APU or an Intel processor, plus optional AMD Radeon™ discrete graphics configuration and is not available on FreeDOS and Linux OS. With AMD Radeon™ discrete graphics configuration, full enablement of all discrete graphics video and display features may not be supported on all systems (e.g. OpenGL applications will run on the integrated GPU or the APU as the case may be) and Linux OS. With AMD Dynamic Switchable Graphics technology, full enablement of all discrete graphics video and display features may not be supported on all systems (e.g. OpenGL applications will run on the integrated GPU or the APU as the case may be).
